

BAC Summer Camp 2017

ANIMAL PLANET

Lions, tigers, bears, oh my! Get ready for The Boston Ability Center's 2017 summer camp! This August campers will venture to many different habitats to learn all about the amazing animals that live there. Children will have the opportunity to participate in various themed fine and gross motor activities, read stories, and complete outdoor games and cooking projects while interacting with peers and learning all about wildlife across different environments. BAC camp is the perfect opportunity for children to enjoy typical camp activities in a familiar setting with a great camper to staff ratio. Please contact the front desk with any questions or to sign your child up at 781-239-0100 or frontdesk@bostonabilitycenter.com.

August 21st-25th
9:00am-12:00pm
Ages 3-10
